

MANDARIN CHINESE STARTS AT SAS THIS FALL

Because of the large number of respondents to our initial inquiry gauge interest in an after school course in Mandarin Chinese culture and language study, we are pleased to announce that Ms. Emma Lee, a teacher of Chinese at Milton Academy, will be teaching this course at St. Agatha School beginning in September. Two courses, emphasizing listening and speaking skills, will be offered this school year. Term one: September 19-December 3, with make up classes the week of December 6 for Columbus Day and Veteran's Day sessions. Term two from January 9 -March 29 will include sessions the first week of April to make up for the Monday holidays in this time period. The cost of the program is \$10.00 for each 40 minute session- \$20/week- and a one time \$5.00 fee for the textbook.

If you would like to register for Mandarin Chinese classes, please check the session(s) your child/ren will be attending and return it to school as soon as possible so that classes can be formed and textbooks ordered for attendees.

Thank you,

Mrs. Maureen C. Simmons
